PRODUCT INFORMATION

3D PRINTER	Objet24	Objet30	Objet30 Pro	Objet30 Prime	Eden 260VS	Objet260 Connex3
Build Envelope**	10" x 8" x 6"	12" x 8" x 6"	12" x 8" x 6"	12" x 8" x 6"	10" x 10" x 8"	10" x 10" x 8"
Layer Thickness	28 microns (0.0011in)	28 microns (0.0011in)	28 microns (0.0011in)	40 microns (0.0015in) 28 microns (0.0011in) 16 microns (0.0006in)	30 microns (0.0011in) 16 microns (0.0006in)	30 microns (0.0011in) 16 microns (0.0006in)
Material Options	Rigid Opaque (VeroWhite Plus)	5 Materials Rigid Opaque (4) Polypropylene-like (DurusWhite)	8 Materials Transparent Rigid High Temperature Rigid Opaque (4) Polypropylene Like (DurusWhite & Endur)	12 Materials Transparent Rigid (2) Rubber-like (2) High Temperature Rigid Opaque (4) Polypropylene Like (DurusWhite & Endur) Bio-compatible	13 Materials Transparent Rigid (2) Rubber-like (3) High Temperature Rigid Opaque (4) Polypropylene Like (DurusWhite & Endur) Bio-compatible 1 Material Loaded	Same as Eden260VS with triple jetting technology, overmolding capabilities & hot-swap (replace cartridges) Digital Mixing capabilities CMYK Palette & Overmold Digital ABS Stratasys Creative Colour Software 3 Materials Loaded
Warranty & Support	1 year	1 year	1 year	1 year	1 year	1 year
Applications	concept models sales tools fit-form-function limited functionality	concept models sales tools fit-form-function limited functionality	concept models sales tools fit-form-function dimensional stability tinting/transparency	concept models sales tools fit-form-function dimensional stability tinting/transparency high precision/quality	concept models sales tools fit-form-function dimensional stability tinting/transparency high speed printing soluble support	concept models sales tools fit-form-function dimensional stability versatile tooling applications jigs & fixtures injection molding (low-volume) end-use parts quick soluble support full colour printing
Full Package Price* also includes: cleaning station, start-up kit, materials, training	\$21,000 - \$25,000	\$28,000 - \$32,000	\$39,000 - \$43,000	\$50,000 - \$55,000	\$85,000 - \$90,000	\$135,000 - \$140,000
