

Sterilization

Sterilization

There are several sterilization types available

Autoclave

Formaldehyde

Gamma Radiation

Ethylene Oxide Gas

Hydrogen Peroxide Gas
Plasma

Sterilization test

	Sterilization successful	Visual check: color & warpage	Delta E-color variation	Mechanical properties	Cytotoxicity	3D Scann
Autoclave 121°C	YES	No visual deformation	YES	MEASURED		
Autoclave 134°C	YES	No visual deformation	YES	MEASURED		
Formol 60°C	YES	No visual deformation	YES	MEASURED		
Gamma Radiation						
Radiación ionizante						
Ethylene Oxide Gas						
Hydrogen Peroxide Gas Plasma
