The Next Generation of Industrial 3D Printing

Produce functional, high-quality prototypes and end-use parts in record time with the Form 3+, an affordable, industrial-quality 3D printer that reliably delivers.

Low Force Stereolithography (LFS)[™]

Low Force Stereolithography (LFS)[™] technology made the Form 3 the preferred choice for tens of thousands of users.

With Form 3+, we've further developed LFS technology to deliver faster than ever print speeds, advancements in post-processing, and continued refinements in part quality.

Truly Rapid Production

Quickly go from design to finished part with the streamlined, end-to-end workflow of the Form 3+.

Reliable, High-Quality Parts

The Form 3+ refines Formlabs patented LFS technology to consistently deliver presentation-ready parts with unbelievable surface finish.

Maximum Efficiency

The Form 3+ is rich with features that improve ease of use so you can spend more time ideating and less time monitoring your printer.

The Right Material for the Job

Make any idea a reality and seamlessly switch between a library of over 30 functional materials with a cross-compatible cartridge system.

Precisely Tuned Material Settings

Precisely tuned settings for every material enable rapid print speeds and deliver enhanced light-touch support structures that detach from parts in seconds.

Printing Properties

| | |
|-----------------------------|--|
| Technology | Low Force Stereolithography (LFS) [™] 3D printing |
| Build Volume | 14.5 × 14.5 × 18.5 cm 5.7 × 5.7 × 7.3 in |
| Layer Thickness | 25 – 300 microns .001 – .012 in |
| XY Resolution | 25 microns (0.001 in) |
| Laser Spot Size | 85 microns (0.0033 in) |
| Supports | Auto-Generated, Light-Touch Removal |
| Warranty and Service | One Year Warranty included Extended Warranty, Pro Service, and Enterprise Plan available |

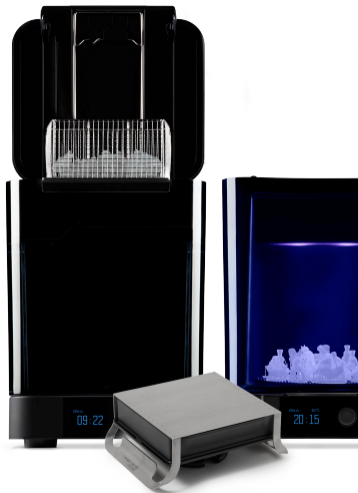

Efficient Post-Processing

Automated Wash and Cure

Deliver strong, ready-to-use parts with less time and effort. Form Wash and Form Cure streamline and automate rinsing and post-curing of prints.

Build Platform 2

Build Platform 2 with patented Quick Release Technology quickly and easily releases parts from the build platform without tools.

90,000,000 Parts Printed With
Formlabs Technology
